Letter From the General Manager/COO

It’s amazing to think back on the winter we’ve had! I think I can speak for all in saying I am looking forward to spring. The Course is starting to green up and the new greens appear to have made it through their first winter in good shape. One thing you will notice right away about the new greens is “No Spring Aerifying”! The new Bermuda greens will be aerified in the summer when they are growing the best which will mean a faster recovery time than we have been used to with Bent Grass.

Spring around the corner and many families traveling for spring break means only one thing, pool season is right around the corner. We are looking forward to building on the success of the renovation of the Pool facility from last year. The Swim and Dive teams are currently registering for the coming season. If you have not done so, please look into registering your child for one or both of the teams. You can contact Tiffany Godfrey at 404.375.1359 for more swim team information and Amy Price at 404.433.0255 for more dive team information.

One of our best traditions at the Club will be here in just a few short weeks, the “St Ives Easter Egg Hunt and Carnival” as well as the Easter Brunch. These events both fill up fast so please call early to make reservations.

I am asked quite often how the Club is doing. In an economy where many clubs are still struggling, merging, going bankrupt, being bought out... St Ives is continuing to do well. While as a Club we don’t look to make a profit at the end of the year, we do manage a break even or better budget. You should feel very good about the financial position of your Club. We finished in the black the last three years and the Board and Management have just completed the budgeting process for the upcoming fiscal year and look to finishing Net positive again. All of this while not raising monthly dues and/or fees for the fourth straight year.

We look forward to seeing you at the Club,

John Gerdts
General Manager/COO

In the evening, the Main Bar will not be open for service, nor will the Main Dining room. We look forward to serving you soon!
It may not show in the picture, but Tartan at 2oz/m watered in 1/4” really made these greens pretty!

Spring is hopefully on the way, and I am looking forward to the way the Club will look soon in full bloom. It is great to see everyone outside again playing golf and tennis after this winter has had us all under blankets and coats for so long.

It's been a relatively slow winter for Membership given the difficult weather – hard to have guests out when it is snowing on the Golf course! We are delighted to welcome all of our new Members who did join over the winter, and we look forward to serving you this spring!

April Highlights

Spring Masters Blitz Tournament
Saturday, April 12th
9:00am Shotgun

If you didn’t get your invite to Augusta this year, plan on playing in the Masters at St Ives. This year the tournament will be a Texas Scramble, counting two best net-balls of the foursome. A Texas Scramble consists of all four members of the group hitting a tee shot, the team then selects the best tee shot. From there, all four players hit and play their own ball in until their ball is holed out. The team score will consist of the best two low net scores. Handicaps will be 75% from the corresponding tees. Entry fee is $60.00 per player and includes lunch after golf.

Invite friends or customers out for a day of golf and fellowship. Each member can bring up to three guests or a team may consist of two members and two guests. THREE THINGS YOU CAN DO TO MAKE OUR COURSE GREAT!

Range Balls
Range balls from the Driving Range are to be used on the Driving Range only. Please do not take them on the Course for any reason.

Bunker Rakes
Please be sure to rake any bunker that your ball is in. If for some reason the bunker does not have a rake please report it to the Golf Shop so we can correct the oversight.

Fill Your Divot Plus One More!
With the fairways not growing all winter we have a lot of divots in our fairways. Please help us by filling at least two divots in every fairway. Thanks in advance for making our course great!

Merchandise Corner

We are excited to announce that we have our “Golf eShop” up and running. The Golf eShop is available on the St Ives website and offers a wide variety of golf apparel and equipment. Most items are priced at the minimum advertised price and can be shipped directly to you or to a client as a gift. The Golf eShop will occasionally offer closeout items from some of the manufacturers. **VIP discounts will not be available online and all items ordered online will require a credit card for payment.** If there are any items online that you want to order and get your VIP discount please call the Golf Shop to order that specific item. Be sure to check out the new shop located in the Golf section under Member Central!

FITTING DAYS
Friday, April 4th
Friday, April 25th

A new addition to the Golf Shop this year is **The Flight Scope**, a state of the art launch monitor that we use to make sure that you are getting the maximum distance and accuracy with all your clubs. The Flight Scope measures ball speed, launch angle and spin rate, and will show you what driver will give you the maximum distance. Call the Golf Shop and schedule your 30-minute appointment.

- May 2nd, 9th, 16th, 23rd, (30th rain date)

This is a program that has been designed to help you take your game to the next level and teach you how to lower your scores. These clinics are for women who have either already participated in the New Niners or have attended a clinic but are ready for follow-up instruction. The combination of clinics and on-course instruction will focus on the “scoring” areas of the game of golf, beginning with the short game and moving all the way up to course management. We will be on the Course every week with these sessions.

Cost is $240.00 for the eight weeks billed 50% at signup and 50% after week four. For more details, please call or stop by the golf shop.

A rain date has been scheduled for May 30th.

**From The Golf Pro: Tip for the Month**

This month we are going to talk about the proper take away. The take away is defined as moving the club from the set up positions to waist high in the backswing. The take away is very important in the golf swing because it is the first motion and it sets up the timing and tempo of the swing. Take the club away low and slow and with the shoulders (not quick and jerky with the hands). Keep the left arm straight and the club away from your body to create good leverage, while keeping your head still. I try and imagine someone standing behind me and holding their right hand up to my right ear. I’m trying to take the club away and not have my right ear touch their right hand. This gets me turning and not sliding backwards off the ball. When the club gets waist high the club shaft should point at the target and the toe of the club should point at the sky. The take away motion is done with the shoulders and hips turning away from the target. Practice this move and it will help your swing stay on plane and will increase your accuracy on the Golf Course. If you have any questions please stop in the Golf Shop or stop us out on the Range and show us your take away. We’ll tell you if you are doing it correctly.

Each player will receive:
• Two practice and coaching sessions  
• Team jersey  
• Golf balls

The Spring Junior ALTA season is at the “Spring Break” point and many of the St Ives Junior teams are showing strong grit and determination. The juniors have worked hard to improve their skill levels this season by attending lessons and practicing on their own. To maximize players’ abilities, it is very important to practice the skills and knowledge they learn through the Tennis Professionals outside their academy. Thank you again to all the team Moms and Co-Moms who are volunteering their time during this busy spring Junior ALTA season. Please remember there are no Junior Clinics the week of April 1st-April 7th.

When the hot Atlanta weather is finally here, it can only mean one thing; summer has arrived and it is time for the ST IVES JUNIOR SUMMER TENNIS CAMPS. Logo Mug Program at the Cabana

For our 5th summer, we will sell nice insulated logo mugs at the pool in an effort to cut down on paper/plastic waste and trash at the pool.

As always, we will begin selling the mugs on opening weekend through the first couple of weeks or until we have sold out. The new mugs sold at the beginning of each season are always a new color so you must purchase and use this year’s mug in order to benefit from the complimentary beverages for the first summer of use. **If you use last year’s mug, regular beverage pricing will apply. We certainly encourage use of last year’s mugs.**

The price per NEW mug is $10.95 and as long as you use this mug at the Cabana, you will receive complimentary fountain sodas and iced tea ALL SUMMER LONG! The price if you use mugs from previous years is $1.50 for fountain soda and $1.50 for iced tea.

In order to receive the complimentary beverage, you must have the mug with you when you place your order. These mugs are not usable in the other areas of the Club. We will give the children colored markers so they can have fun decorating them and will remember which mug is theirs all summer.

We look forward to another fun summer at the St Ives pool!

Swimsuit Update

TYR has once again discontinued last year’s swim suits so we are working with our vendor to find a suit similar in color to last years. They will be onsite at both registrations for fittings and to take orders. After April 16th, you will need to purchase your suit directly from Kastaway at their Dynamo store on McGinnis Ferry Rd. 770.667.3933
St Ives Stingrays Dive Team is flippin' over the boards FUN!

Coach Zach is back ... as Head Coach!

Caroline Price, a Senior at Johns Creek HS and a St Ives diver for 8 years now, will be an assistant coach.

All St Ives Country Club members age 4 through 18 are welcome to join the St Ives Dive Team. If your child can jump into the deep end of a pool and make it to the ladder unassisted, the St Ives Dive Team wants him or her!

The dive and swim team swimsuit, Phoenix Splice by TYR, is available for purchase through Kastaway, the Swim Dynamo swim shop.
